Holiday Gift Guide: The Best Gifts to Win Over Your Girl's Parents

December 10, 2013

Aside from finding something special for your girl, her parents are the second hardest people to please. Our advice? Don't over think it. Parents are people, too, and, chances are, if you think something is cool, they will too.

With that in mind, here's a gift guide for all the guys out there hoping to get in good with her folks, whether you've been dating for months, or many, many years. It also doubles as a shopping list for the patient humans who spawned you, and, of course, a wish list. Because we all know an unavoidable side-effect of gift-giving is finding stuff you don't want to give to anyone but yourself.

Babette Wasserman Demon Lobster Clasp Bracelet

Buy it now at Dalys 1895, \$122

If Dad owns one piece of mewlery, it should be this leather bracelet.
